# Who we are

# Who we are

BELLIDO Abogados was founded in 1993 through the efforts of its current principal partners, which means that we are a law firm with a long track record.

We have a team of specialized attorneys with experience in diverse areas of the law. Their ongoing commitment allows us to maintain the highest quality standards, offering efficient and comprehensive service to meet the needs of our clients.

In the context of a globalized world, the experience and strength that we have amassed over our years of professional practice is enriched by an up-to-date and innovative vision of the law in a continuous search for results, to meet the needs of our clients with timely, personalized and interdisciplinary advice. The fact that we are independent consultants does not keep us from collaborating closely with them as they carry out their activities, with an approach that is always proactive and dynamic.

Our dedication and the principles that guide our actions allow us to establish long-term relationships and to always respond responsibly and earn the confidence that has been placed in us.

# Mission Statement

*Our objective is to build stable relationships with our clients, earning their trust with a personalized and proactive service. We also work hard to maintain a good work environment that consolidates our team's commitment.*

# Fernando Bellido

Born in Lima, Fernando received his law degree with honors from Pontificia Universidad Católica del Perú in 1973 and was admitted to the Bar in 1974. He holds a master's degree in international administration from the American Graduate School of International Management, Glendale, Arizona, and an MBA from Southern Methodist University, Dallas, Texas, USA.

With a prominent career that spans over 50 years, Fernando first served as general counsel to the CEO of Banco de la Nación, participating in international financing contracts in which the entity acted as financial agent of the Peruvian government. Then, he became a senior partner at Estudio Lavalle, and went on to work at Estudio Martínez, Bellido, Berninzon & Lavalle, and, finally, at Bellido Abogados, in which he acts as a founding partner since 1993.

He has also been a member of the board of director of several major companies, such as Banco Sudamericano and Hoteles Sheraton del Perú S.A., in which he was named President.

Fernando's areas of expertise include real estate, corporate, banking, stock market, foreign investment and foreign debt legislation and tourism law.

# Jaime Bellido

Born in Lima, Jaime received his law degree from Pontificia Universidad Católica del Perú in 1994 and was admitted to the Bar in 1995. He earned a post-graduate diploma in mining and environmental law from Universidad Peruana de Ciencias Aplicadas in 2008.

With more than 30 years of experience, Jaime has been involved in large-scale international transactions, advising multinational companies, which has given him comprehensive knowledge of global commercial and professional standards and practices. He also advises mining companies on the various aspects of their activities in Peru, has a vast experience in advising aircraft leasing and telecommunication companies, and has lead teams performing due diligence during the purchase and sale of large companies.

Since 1993, he has been a chair or member of the boards of directors of several companies, leading successful restructuring processes, and a member of several bi-national Chambers of Commerce, which has led him to explore various issues regarding the law and Peru's actual context, providing support to the country's image as a hub for several investment opportunities.

Jaime's areas of specialization include corporate, foreign investment, mining, air transportation and telecommunications law.
